VISIONARY ENVIRONMENTAL COMPANY LOOKING FOR A GLOBALLY ACTIVE **PROJECT MANAGER** FOR TECHNICAL SERVICE PROJECTS

Are you a positive and dedicated team player with good people skills? Do you thrive in a changeable work environment? Would you like to be part of an international corporation striving for a sustainable future? Then you may be just the person we are looking for at our tyre recycling facility in Ovar.

For the role as globally functioning Project Manager in our Technical Service department, we are looking to recruit a dynamic and solution-oriented, new colleague for our team.

Your main tasks

As Project Manager in our Technical Service department, you will be providing support to our Ovar-based, globally functioning Technical Service Manager as well as our team of plant managers at our five tyre recycling plants in Europe and our plant in Houston, Texas.

Main activities include:

- Drawing up project plans and timelines
- Leading project teams
- Managing and controlling project budgets
- Ensuring compliance with project management standards
- Providing plant managers with updated equipment manuals
- Conducting research and attending workshops to remain abreast of industry developments
- Writing and presenting reports of findings to managers and supervisors
- Travel activity for project monitoring in Germany, Denmark and the USA (approx. 50-60 days a year)

Your qualifications

- Degree in Project Management or other relevant field
- Preferably min. 3-5 years of experience from a similar position in a manufacturing/construction industry
- Leadership and team management skills

- Excellent communication and interpersonal skills
- Fluency in both written and spoken English
- Flair for technical writing
- Well-organised, persistent and systematic approach to tasks – and good at prioritising
- A friendly and positive personality
- Hands-on, can-do / can-try approach

What Genan offers

We offer an exciting position in an informal organisation where cooperation and mutual problem-solving is in focus. You will join a team of passionate, down-to-earth colleagues who are just as dedicated and ambitious as you, and who are also looking to support each other to reach common goals.

Do you want to be part of the Genan team?

To apply for this position, please send us your application and CV in English to: recrutamento@genan.com

All applications will be handled confidentially.

If you have any questions, please feel free to contact Raquel Vasconcelos by e-mail to rva@genan.com.

Environmental company Genan boasts more than 30 years of experience in tyre recycling. Counting a total of six state-of-the-art factories – one in Denmark, three in Germany, one in the USA and one in Portugal – Genan is the largest tyre recycler in the world. Sustainability is our core value, and by turning huge volumes of end-of-life tyres into new resources, Genan helps solve an immense, global problem. To strive for a sustainable future takes a dynamic and dedicated team; and our more than 300 passionate employees are thus the core of our organisation.
